

## The Watchman and Southron.

WEDNESDAY, DEC. 6, 1899

Entered at the Post Office at Sumter, S. C., as Second Class Matter.

## PAY YOUR DEBTS.

The date following your name on this paper indicates the date on which your subscription expires, or from which date you are in arrears. Examine the date on your paper and, if you owe anything come in at once and settle without further reminder or urging. Many subscribers are in arrears, last year we did not press them for a settlement, knowing the paucity of money, but now we need what is due and we request an early and full settlement.

## NEW ADVERTISEMENTS.

County Auditor—Tax Returns.  
Newman & Sons—Plant Wheat  
German Hall Works—Cotton Culture.  
Bates of A. E. Gregg—Final Discharge.  
Charles O. Leslie, Charleston, S. C., Dealer in Fish, Oysters, &c.

## PERSONAL.

Mr. J. R. Ligon is in the city for a brief stay.  
Dr. John H. Furman was in the city yesterday.  
Dr. B. W. Cooper, of Winnsboro, was in the city Monday.  
Rev. J. O. Chandler was in the city Sunday and Monday.  
Sheriff Scarborough, of Darlington, spent Saturday in the city.  
Dr. H. L. Shaw and family, of Fountain Lake, are in the city on a visit.  
Miss Mary Brown, of Laurens, is visiting Mrs. H. I. Dickinson and daughters.  
Miss Kate Isbell, of Ridgeway, after visiting Mrs. A. G. Flowers, has returned home.  
Miss Jennie Moore who has been visiting friends in New York for several months has returned home.  
Mrs. L. R. Voss and Dr. E. M. Deane, who have been visiting Mrs. N. G. Osteen, left Friday for Abbeville.  
Messrs. V. M. Moore, Charles Ryttenberg and Richard Manning were at home from the South Carolina College last Thursday.  
Miss Nellie Haddock, of Ellerbe, who has been visiting Mrs. O. W. McGrew, during the past month, left this morning for Orangeburg, where she will spend a few days before returning home.  
Dr. J. F. W. DeLorme went to Columbia last Friday to see Collector Webster in reference to the license tax and penalty on druggists who have been selling malt extract during the past two years. The collector could give no encouragement to the hope that the license will be remitted on a showing that the druggists have been selling malt strictly as a medicine and not as a beverage.  
If troubled with dizziness, furred tongue, bitter taste in mouth, bloated feeling after eating, constipation or sick headache, use Dr. M. A. Simmons' Liver Medicine.  
Simmons' Squaw Vine Wine or Tablets prevent and cure palpitation of heart, dizziness, sick headache, chilly sensations.  
The King's Daughters will meet Thursday afternoon at 4 o'clock with Miss Emma Meese.  
The real estate of J. Cohen Wilson's estate sold on Monday and at private sale previously aggregated about \$30,000.  
Dr. M. A. Simmons' Liver Medicine cures out all impurities in the system and expels them harmlessly by the natural channels.  
The County Board of Commissioners met yesterday in regular monthly session and transacted a great deal of routine and special business.  
The Business League will meet at 8 o'clock tonight in the Y. M. C. A. Hall. This is the regular monthly meeting and all members are expected to be present.  
The morning train from Columbia, due here at 8.55 yesterday did not arrive until 10 o'clock. The delay was caused by a wreck which occurred near Columbia Monday night.  
To settle the stomach and overcome the effects of prospective mothers, take Simmons' Squaw Vine Wine or Tablets.  
The Herald Square Opera Co., will appear to operate at the opera house on December 18th and 19th.  
Our stomach troubles, cold feet and headache, excessive menstrual flow, with Simmons' Squaw Vine Wine or Tablets.  
The Methodist minister and the lay delegates to the annual conference left on Tuesday morning for Orangeburg.  
If you feel dull, listless, broken down, debilitated, have weak stomach or indigestion, use Dr. M. A. Simmons' liver medicine.  
Gov. McSweeney and staff passed through the city Friday morning on the 9.45 train returning to Columbia from Charleston, where they spent Thanksgiving day.  
An important meeting of Delgar Real Estate will be held in the Y. M. C. A. hall on Thursday night at 8 o'clock. Every member of the board is expected to be present.  
Pain in head, neck, shoulders, back, front, limbs, and limbs are readily cured by Simmons' Squaw Vine Wine or Tablets.  
Dr. M. A. Simmons' Liver Medicine has since 1840 steadily risen in public favor, and the demand for it far exceeds that of any other liver medicine.  
The lands, both farming and timbered, sold by the Mother Monday brought very fair prices. Land is in better demand in this county now than it has been for several years. An indication of the improved financial condition of the country.  
A report was circulated Sunday that a negro child had died in Orangeburg from an overdose of laudanum. An investigation shows that death resulted from pneumonia, and that there was no ground for criminal carelessness, or worse, on the part of the child's parents.  
W. T. Youngs, Luray, S. C., writes: Have used Dr. M. A. Simmons' Liver Medicine 10 years. It has cured enlargement of the liver and insomnia. Think it as far ahead of Zeller's and Black Drought as day is ahead of night.  
Mr. Thiesen, the young man who was seriously cut at the night performance of the Gentry Pops Show, and who has since been at the Baker-Dick Infirmary, is recovering rapidly now and will be able to be out of the house in a few days.  
Mrs. R. Churchill, Berlin, Vi., says, "Our babe was covered with running sores. DeWitt's Witch Hazel Salve cured her." A sure cure for piles and skin diseases. Beware of worthless counterfeits. J. S. Hughson & Co.

The woods and fields were full of hunters Thursday, and pounds of powder were burned. Some of the hunters were quite successful and returned home in the evening with game bags filled, while a great majority of them only killed a few birds and squirrels. No accidents are reported and all of the hunters returned from the outing safe in body and limb, and if there was no other cause for thankfulness, that there were no accidental killings among the hunters is due.

## RELIGIOUS.

Sunday being the last preaching day before the meeting of the South Carolina Conference, there was an unusually large congregation at the First Methodist Church in the morning. The pastor, Dr. Clifton, preached. At the night service the congregation of the Mission Church united with the First Church in a meeting at the First Church. Dr. J. A. Clifton preached an interesting sermon to a crowded house.

After the sermon Rev. Mr. Kelly, pastor of the Mission Church, made a short talk at the suggestion of Dr. Clifton, in which he stated that the new church is about completed, and is all paid for except the pews, for which a collection was taken up amounting to \$71.58. He announced that the dedication of the church will take place on next Sunday.

## Thanksgiving Services.

Thanksgiving services were held in the Lutheran Church Thursday at 11 a. m. and 7.30 p. m. At the morning services Dr. J. A. Clifton, of the First Methodist Church, and Rev. von A. Riser, pastor of the Lutheran Church, both spoke, and in the evening Dr. Clifton conducted the services. He delivered a sermon of unusual eloquence and it was the comment of all who heard him that he surpassed himself.

Services were held in the Presbyterian Church at 11 a. m. Dr. Edmunds occupying the pulpit and preaching an interesting sermon appropriate to the day and occasion. For the Episcopal Church the rector, Rev. P. D. Bay, conducted services and preached a thoughtful and touching Thanksgiving sermon.

Rev. Wm. Aiken Kelly held services in the Y. M. C. A. hall at 11 o'clock a. m. He preached an intensely interesting sermon before a good congregation.

Keyton's Komedians, a theatrical company which had an engagement at the Opera House last Wednesday night, ended its tour and went to please with that performance. The wreck of the company was due to a combination of very poor business and a very poor show. The audience Wednesday night was in keeping with the performance, there being just a sufficient number present to accentuate the prevailing emptiness of the seats.

"One Minute Cough Cure is the best remedy I ever used for coughs and colds. It is unequalled for whooping cough. Children all like it," writes N. W. Williams, Gentryville, Ind. Never fails. It is the only harmless remedy that gives immediate results. Cure coughs, colds, hoarseness, croup, pneumonia, bronchitis and all throat and lung troubles. It early use prevents consumption. J. S. Hughson & Co.

## Quarterly Conference.

The Fourth Quarterly Conference of Sumter Station M. E. Church, South, was held at the parsonage last night. Presiding Elder, Rev. T. J. Clyde, was present to receive final reports for the year, which ends with the closing of the Annual Conference on the 6th instant.

The reports were as a whole satisfactory and show a good condition of the various affairs and interests of the charge. The following officers were re-elected for the ensuing year:

Sunday School Superintendent—R. O. Purdy.

Stewards—J. B. Busch, J. D. Craig, W. A. Brown, A. B. Stuckey, L. W. Polson, J. M. Keight, R. O. Purdy, Dr. J. A. Wood, W. S. Burns and O. M. Hurt, Jr.

The officials present expressed the desire that their present presiding elder and pastor may return to serve Sumter Station for the year 1900.

## Leading Man Freed.

The opening night of the Lee Stock Company's engagement at the Opera House was a memorable one, owing to the exuberant work of the leading man, Mr. Jack Donovan, who essayed to enact the part of Jack Stanley, but succeeded only in mauling it most vilely. The audience soon perceived that a lame duck had, by some strange coincidence, gotten into the role of leading man, and they then resigned themselves to the inevitable and extracted what amusement they could from the antics of the leading man, and the specialties introduced by other members of the company.

Monday night was Mr. Donovan's first appearance with the Lee Stock Company, and his lack of ability was as great a service to the manager of the company as to the audience. Immediately after the performance the leading man was fired, and he will journey all the way back to Chicago from whence he came to join the Lee Stock Company.

## Dispenser Elected.

The County Board of Control met today and in addition to transacting regular routine business elected dispensers.

There was only one applicant for dispenser at Sumter and he, Mr. J. M. Reame, the present incumbent, was elected. Mr. J. B. Baker was re-elected clerk. There were several applicants for dispenser at Mayesville and Bishopville, but the election had not been held at the time of going to press.

## A Sure Sign of Croup.

Hoarseness in a child that is subject to croup is a sure indication of the approach of the disease. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough has appeared, it will prevent the attack. Many mothers who have croupy children always keep this remedy at hand and find that it always does much trouble and worry. It can be given to the child as often as it is needed and it is pleasant to take. For sale by A. J. China.

In 1887 Mr. Thomas McIntosh of Allentown, Tenn., had an attack of dysentery which became chronic. "I was treated by the best physicians in East Tennessee without a cure," he says. "Finally I tried Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using about twelve bottles I was cured sound and well." For sale by Dr. A. J. China.

## Postal Improvements.

Hon. J. Wm. Stokes writes the editor of this paper as follows in reference to certain improvements in the postal service in this city:

Orangeburg, S. C., December 1, 1899.  
Dear Sir—You have felt an interest in increasing mail facilities in your city. I have been anxious to secure all that was possible. If application for collection boxes over your city, with increased clerk hire sufficient to take up the collection twice a day, is sent me at Washington, I will make a personal effort to get it or any other improvement you may need in the line of postal facilities. Very truly,  
J. WM. STOKES.

## MAGISTRATE BARRETT TO BE REINSTATED.

The County Legislative Delegation Make Unanimous Recommendation.

The following letter addressed to Gov. McSweeney by Senator Manning and the members of the House is self-explanatory, giving the result of the investigation of the charges against Magistrate G. M. Barrett, of Bishopville, and the reasons for recommending his reinstatement by the governor:

Sumter, S. C., Nov. 29, 1899.  
Hon. M. B. McSweeney, Governor, Columbia, S. C.:

Sir: In compliance with your request the Sumter County delegation today met for the purpose of considering a recommendation with reference to the reinstatement of G. M. Barrett, as magistrate of the 6th Magisterial District for Sumter County, or the appointment of a successor.

As you requested, the citizens of that section of the county were given ample opportunity to express their wishes in the matter.

We considered the fact that the grand jury has not found a "true bill" against Mr. Barrett as seems to be contemplated in Section 22, Article IV, of the Constitution of 1895, as the basis of action in such cases, which section is as follows: "Whenever it shall be brought to the notice of the governor by affidavit that an officer who has the custody of public or trust funds is probably guilty of embezzlement or the appropriation of public or trust funds to private use, then the governor shall direct his immediate prosecution by the proper officer, and upon true bill found the governor shall suspend such officer and appoint in his stead, until he shall have been acquitted by the verdict of a jury. In case of conviction the office shall be declared vacant and the vacancy filled as may be provided by law." We also considered the fact that the larger number of petitioning citizens interested expressed their confidence in Mr. Barrett and requested his restoration to office, we, therefore, respectfully recommend that he be reinstated.

Richard I. Manning, Senator.  
E. D. Smith,  
W. A. Nettles,  
J. H. Wilson,  
Altamont Moore,  
D. M. Young,  
Members of the House.

## From New Zealand.

Reefton, New Zealand, Nov. 23, 1899.

I am very pleased to state that since I took the agency of Chamberlain's medicines the sale has been very large, more especially of the Cough Remedy. In two years I have sold more of this particular remedy than of all other makes for the previous five years. As to its efficacy, I have been informed by scores of persons of the good results they have received from it, and know its value from the use of it in my own household. It is so pleasant to take that we have to place the bottle beyond the reach of the children.

E. J. Seatonbury.  
For sale by A. J. China.

## ARBOR DAY EXERCISES.

As was previously announced it was decided by the City Board of Education to have the exercises for Arbor Day on Thanksgiving morning, so that the pupils might have an unbroken period of rest and recreation. Accordingly the pupils assembled Thursday morning at 9 o'clock, spent an hour very pleasantly together, and until Monday morning they were free to enjoy themselves.

The Fourth Regiment Orchestra was present and with their usual ability to make sweet music delighted the audience. These gentlemen have never failed to respond to the request to be present on these occasions, and we feel safe in saying that their kindness is very greatly appreciated by all who are interested in the welfare of the school.

Dr. Clifton's fifteen minute address delighted the pupils and charmed his entire audience. Altogether the time was very pleasantly spent and at one minute of ten o'clock the gong sounded for the pupils to leave, inspired by the inspiring strains of the orchestra's sweet music.

The following was the programme:  
Opening March—Orchestra.

Prayer.  
The New Hall Columbia—Orchestra accompaniment.

Address—Dr. Clifton.  
Selection by Orchestra.

Trees planted by representatives from the four highest grades.

Rolls of Honor.  
O Steno Old Land—Orchestra accompaniment.

Closing March—Orchestra.

The following is the Roll of Honor for past quarter:

1st Grade—Second Division—Marie DuPre, Robert McLeod, Sarah Richardson, Mildred Hall, Gusie Hood. Special mention—Alex Haynesworth, Mable Parrott, Lucile Baker, John Duffie. Great improvement—Lucille Ryttenberg.

2nd Grade—Paul Bowman, Juanita Hoyt, Ernest Vogel, Frankie Lesene, Wendell Levi. Special mention—Rennie Baker, Virginia Reynolds, Minnie Hough, James Chandler. Great improvement—Sam Cordes.

3rd Grade—Marguerite McLeod, Elsie Murray, Ollie Delgar, Louise Yeaton, Mabel Welch. Special mention—Wyndham Manning, Ray Ryttenberg, Janie Spaul, Jessie Brown, Francesa Teicher, Louise Carson.

4th Grade—Lydia Richardson, Alma Campbell, Edna Stack. Special mention—William Cook, Nellie Mellett, Bertha Bultman, Alfred Grier.

5th Grade—Belle Brinkley, Louise Murray, Bartow Walsh, Mary Lowry, Bernard Manning, Robert Cooper. Special mention—Scott Bostic, Maggie Newman, Charlie McGrath, Jennie McLeod.

6th Grade—Edith Lampley.

7th Grade—Special mention—Leon Green, Celeste Hughson, Mary Gaillard.

8th Grade—Leldore Teicher, Willie Manning.

9th Grade—Special mention—Misses Leonie Jennings, Alice Moore, Ruth McLaurin, Lily Pringle.

Mr. J. Sheer, Sedalia, Mo., saved his child's life by One Minute Cough Cure. Doctors had given her up to die with croup. It's infallible cure for coughs, colds, grippe, pneumonia, bronchitis and throat and lung troubles. Relieves at once. J. S. Hughson & Co.

## The Cotton Receipts.

On Friday the public weighers weighed 307 bales of cotton, a heavy crop of receipts for December 1st. There have been weighed by the public weighers since August 1st, 20,941 bales of cotton and to this must be added cotton bought by the cotton mill and Harby & Co., that was not handled by the public weighers, to arrive at the total receipts. So far as can be ascertained the total receipts including yesterday's receipts aggregate 21,895 bales. The cotton year does not close until July 31st, 1900, and Sumter's receipts this year are sure to pass all previous records.

## Proceedings of County Board of Commissioners.

The County Board of Commissioners met yesterday with Supervisor Dorn and Commissioners, Jenkins, McLeod, Scarborough, McNeill and Rhodes present.

Action on the proposed road in Bishopville township was postponed until the next meeting, so as to give Mr. Rodgers an opportunity to appear before the Board and state his objections.

Messrs. Altamont Moore, R. D. Lee and R. I. Manning, a committee from the Business League, presented petitions for opening a road across Black River from the McBride place to the Plowden Mill road, and also filed an assignment of right of way for said road. The committee suggested the appointment of a special committee from the County Board to ascertain the cost of opening the road and the best route.

Mr. R. O. McFadden was present and made various objections to the road, and asked the board to make haste slowly. He said that parties in Concord are opposed to the road and could get up a counter petition against opening it.

The board considered the petition and on motion a committee, consisting of commissioners Rhodes, McNeill and Scarborough, was appointed to make the required investigation as to the location of the road and the cost of the same; also to employ a surveyor to make estimate and find the best route.

Maj. H. F. Wilson presented a petition from many citizens, asking that the salary of L. E. White, overseer of the chain gang be raised to \$50 a month.

Mr. R. I. Manning presented a petition for opening a road from old Lodebar road to Providence road, about 1 1/2 miles in length. Supervisor Dorn and commissioner McLeod were appointed a committee to examine into the matter.

The matter of reward of McDonald for capture of Ben Williams, an escaped convict, was brought up, he refusing to accept \$530. The Supervisor stated he would write him.

Numerous accounts were approved and ordered paid, and the board adjourned.

J. B. Clark, Peoria, Ill., says, "Surgeons wanted to operate on me for piles, but I cured them with DeWitt's Hazel Witch Salve." It is infallible for piles and skin diseases. Beware of counterfeits. J. S. Hughson & Co.

## Licenses for Selling Malt.

Retail dealers are notified by a notice that has just been received from Collector Webster calling on them for the payment of a back license for dealing in malt. The notice reads that \$60 must be paid, which is the license and penalty for two years, ending June 30, 1900. The drug men did not know they were liable for a license, much less penalty, and several attorneys have been secured to look into the case. The license, judging from the contents of the notice, is \$20 a year and the penalty is \$40, making a total of \$60 for the two years. The druggists think that the law is a new one, only two years old, of which they have never been notified, or otherwise the bill would have been much larger.

The notice states that the \$60 is due from Mr. Black, "retail dealer in malt liquor." The druggists claim that they are not retail dealers in malt liquors, but handle malt as a medicine, not as a beverage. One of the druggists made this point in a letter to Mr. Webster, and that gentleman replied that, such being the case, he had no doubt the money would be refunded. The druggists, knowing the slowness with which Uncle Sam reimburses people for overcharges and mistakes, are loath to pay at all. One of the Charleston druggists said yesterday:

"Why, we don't sell malt as a beverage. I dare say a bottle of it is never sold and drunk in a drug store. It is usually sold to invalids, mothers and people who have become run down through worry or overwork. It is true that there is alcohol in malt, but if you take alcohol away from the drug business you destroy it entirely. Everything we have contains alcohol in some degree to preserve it."—News and Courier.
